(2). **Powers of Food Safety Officer:** A Food Safety Officer may–

- (a) Take sample of any food or any substance, which appears to him to be intended for sale, or has been sold as food;
- (b) Seize any food, apparatus or utensil, which appears to the Food Safety Officer to be in contravention of this Act, the rules or the regulations;
- (c) enter or seal any premises where he believes any food is prepared, preserved, packaged, stored, conveyed, distributed or sold, examine any such food and examine anything that he believes is used, or capable of being used for such preparation, preservation, packaging, storing, conveying, distribution or sale;
- (d) Open and examine any package, which, he believes to contain any food or unwanted food material.
- (e) Examine any book or documents with respect to any food and make copies of or take extracts from the book or document.
- (f) Demand the production of the identity card, the business registration certificate, license or any other relevant document from a “Food Operator”.
- (g) Mark, seal or otherwise secure, weigh, count or measure any food or appliance; and
- (h) Search and seize any vehicle carrying food or involved in unauthorized business pertaining food or food items.
- (i) Exercise the powers of Executive Magistrate.

(3) A Food Safety Officer shall prepare a statement describing the food, apparatus, utensil or vehicle seized and shall deliver a copy of the statement to the person from whom it is seized or, if such person is not present, send such copy to him by mail or available means of communication or registered post.

(4) A person claiming back anything seized under sub-section (1) may, within seven days of the seizure, apply to the Court and the Court may confirm such seizure, wholly or in part, or may order that it be restored to the claimant.

(5) If the Court confirms the seizure of the food, apparatus or utensil, it shall be forfeited to the Food Department or the Court may direct that such food, apparatus, utensil may be destroyed at the cost of the owner or person in whose possession it was found.

(6) If an application is not made within seven days under sub-section (3), the food, apparatus or utensil seized, shall be forfeited to the Food Department.

16. Appointment of Inspectors. —(1) Government may appoint Inspectors in respect of all or any specified food, and an Inspector so appointed shall have jurisdiction in such area as Government may direct.

(2) The Director General/Director Food Department Gilgit-Baltistan may exercise the powers and perform the functions of an Inspector under this Act or any other officer working under the Director General/Director Food Department Gilgit-Baltistan may exercise such powers and perform such functions of an Inspector within such area as the Director General/Director Food Department Gilgit-Baltistan may, by order in writing, direct.

17. General powers of Inspectors.—(1) An Inspector may detain and search any vehicle or package of any food intended for sale or in the course of delivery if he has reason to suspect that the food therein carried or contained may be injurious to health, unwholesome or unfit for human consumption or is not of the same nature, substance or quality which it purports to be:

(2) An Inspector may

- i. Enter any Flour Mill, dealer shop and cease any sort of activity that is using subsidized wheat/flour other than specified dealers.
- ii. Enter into and inspect any market, godown, shop, stall or other place used for the sale of any food intended for human consumption or for the preparation, manufacture or storage of any such food for the purpose of trade or sale.
- iii. Enter upon any premises for exercising the powers of purchasing or taking a sample and may in such premises inspect and examine any food and any apparatus, utensil or vessel used for preparing, manufacturing or containing such food.
- iv. enter into and inspect any market, godown, shop, stall or other place used for the manufacture, storage or sale of any apparatus, utensil or vessel ordinarily used or intended to be used or likely to be used for preparing, manufacturing or containing any food.

(3) An Inspector may, instead of removing such food, apparatus, utensil or vessel seized, leave the same in the custody of the person from whose possession, custody or control, the same was seized or in such safe custody as he may deem fit.

(a) When any food, apparatus, utensil or vessel is seized under sub-section 17(3), it may be destroyed by the officer making the seizure with the consent in writing of the owner or the person in whose possession, custody or control it was found.

(b) If any food seized under sub-section (3) is of a perishable nature and is, in the opinion of the Inspector, unsound, unwholesome or unfit for human consumption it may be destroyed without such consent but in the presence of two respectable witnesses.

(4) An Inspector shall prepare a statement describing the food, apparatus or utensil seized and shall deliver a copy thereof to the food committee and to the person from whose custody the food, apparatus or utensil was seized, or, if such person or his authorized agent is not present, send such copy to him or his authorized agent by registered post.

(5) Subject to the direction of the District Food Monitoring Committee, an Inspector may seal any premises where he believes that any food, which is adulterated or which is unsound, unwholesome, and injurious to health or unfit for human consumption, is prepared, manufactured, preserved, packaged, stored, conveyed, distributed or sold.

(6) While performing functions of entry, inspection, taking samples, seizure or sealing, the Inspector shall use or caused to be used electronic devices to generate electronic evidence of any of his actions under this Act.

(7) The Director General/Director Food Department Gilgit-Baltistan may exercise the powers and perform the function of an Inspector under this Act, and District Food Controller or any other officer working under the Director General/Director Food Department Gilgit-Baltistan may exercise such powers and perform such functions of an Inspector within such areas as the Director General/Director Food Department Gilgit-Baltistan may, by order in writing, direct.

18. Purchase of samples, etc.—(1) An Inspector may, for the purpose of analysis, purchase a sample of food—

(a) in transit;

(b) sold, offered for sale, hawked about, kept or stored or received for the purpose of preparing therewith any food; or

(c) kept or stored in a market, godown, shop, stall, hotel, restaurant or eating house for the purpose of trade or sale or received therein for the purpose of preparing or manufacturing therewith any food.

(2) No person shall refuse to sell food to an Inspector intending to purchase for the purpose he deems necessary in such reasonable quantity and from such container as he may ask for.

Explanation:- The purchase or sale of a sample of any food for the purpose of analysis under this Act shall be deemed to be purchased or sold for human consumption or use; if the product is found to be according to standard, the owner shall be paid the market price of that sample. Otherwise, he shall not be entitled to claim the amount.

(3) If, in contravention of sub-section (2), any person refuses to sell the food to the Inspector, the Inspector may, without prejudice to any penalty to which such person may be liable for such contravention, seize such quantity of the food as may appear to him to be necessary, and shall give such person a certificate showing the price, nature and quantity of the

food seized, the date, time and place of seizure, and on demand being made in that behalf, the price of the food seized.

(4) The Inspector shall prepare in such form as may be prescribed, a declaration in triplicate containing full particulars relating to the sample seized and such declaration shall be signed or marked both by the Inspector and the person from whose possession, custody or control the food has been seized, and a copy thereof shall be given to such person.

(5) When a sample is taken from the stock in possession of a commission agent, he shall be bound to give the name and such other particulars of the person on whose behalf such stock is held by him as the Inspector may require.

19. Right of private persons to have samples analyzed.—(1) Any person may make an application in writing to an Inspector asking him to purchase a sample of such food and from such person as may be specified in the application and to submit such sample to the Public Analyst for analysis;

(2) The cost of the sample purchased and of the analysis done shall be payable by the person making the application;

Provided that, in case the sample is found by the Public Analyst to be adulterated, any amount paid by the applicant under this sub-section shall be refunded to him.

20. Methods of taking samples.—(1) An Inspector after purchasing, procuring, or seizing any food with the intention of submitting the same for analysis shall, forthwith, divide the food in three parts to be then and there separated and each part shall be marked, sealed or fastened in such manner as the nature of the case will permit; and the person from whom the sample is taken may, if he so desires, also affix his seal or mark on each of the three parts.

(2) An Inspector shall—

- (a) if required to do so, deliver one part to the person from whom the article is purchased or seized or the sample is taken;
- (b) Retain one part for future comparison; and
- (c) Submit one part to the Public Analyst:

Provided that where the sample is taken from any food which is about to be imported or is in transit or at the place of delivery to the purchaser, consumer or consignee or is unclaimed, the first-mentioned part of the sample shall be retained by Inspector, unless the name and address of the consignor appear on the container containing the article sampled, in which case he shall forward that part to the consignor by registered post or otherwise, together with a notice informing him that the sample would be analyzed by the Public Analyst.

21. Public Analyst: (1) The Government may, by notification, appoint Public Analyst for such areas as it may assign to him.

Page 12 of 26

SPEAKER
Gilgit-Baltistan Assembly

(2) A public Analyst shall possess such qualifications as may be prescribed.

(3) The production in a trial of a certificate under the hand of a public analyst shall, until the contrary is proved, be sufficient proof of the facts contained in the certificate.

(4) The Court may, of its own accord or on request of the accused, cause any food or sample of food to be sent for analysis to the Public Analyst.

(5) Unless otherwise directed by the court, the accused, on whose request any food or sample of food is sent to the public analyst, shall bear its cost.

22. Certificate of Analyst.—(1) The Public Analyst upon receiving any food or a sample of food from the Inspector shall, as soon as possible, analyze the same and deliver or send to the Inspector forwarding the sample, on payment of such fee as may be prescribed, a certificate in the form specified by Food Department showing the result of the analysis.

(2) A copy of such certificate may be obtained from the Public Analyst by the person from whom the article so analyzed was purchased or obtained on payment of fee as may be prescribed under rules.

(3) No person shall display any such copy on his premises or use such copy as an advertisement.
